**Day 9 – Friday, March 18****PETRA/JERICHO/QUMRAN/MASADA/DEAD SEA**

This morning we begin our experience of the rose-red city of Petra known as Mount Seir in biblical times. Petra is unquestionably Jordan's most spectacular site to visit, always a breath-taking adventure. Petra flourished as a Nabataean city for some 500 years from the second century B.C. to the early fourth century A.D. Petra, the Rock, the Nabataean capital city, is an awesome, indestructible monument to the power and skill of the

Nabataeans, an ancient Arab tribe. The whole city was carved out of solid rose-red sandstone leaving us the rock-cut relics of a civilization that expanded the barriers of human knowledge and technology 2,000 years ago. We will enter the city through its only narrow entrance called “the siq” which is a mere slit between cliffs 300 feet above. In the afternoon we cross back into the country of Israel via the Allenby bridge. On our way back to Jerusalem, time permitting, we will drive to Masada and enjoy a swim in the Dead Sea. Dinner and overnight – Jerusalem. David Citadel hotel.

We will use the afternoon for free family time and shopping as well as our preparation for an early departure the following morning to the U.S.

Dinner and overnight – Jerusalem. David Citadel hotel.

**Day 11 – Sunday, March 20**

This morning we make our way to Ben Gurion Airport for our trip back to the U.S. We will arrive back in Dallas late that evening.
